EASTSIDE [RAIL] CORRIDOR
SNOHOMISH AND KING COUNTIES, WASHINGTON

The map shows the Eastside [Rail] Corridor, which includes the Planned East Link Light Rail Railroad and other key locations such as group health facilities and large employers. The corridor runs from Snohomish County to King County, passing through cities and neighborhoods including Bothell, Woodinville, Redmond, Sammamish, Bellevue, and Redmond. Major employers include Google, Microsoft, and T-Mobile, among others. The map also highlights public or other protected land, city/neighborhood boundaries, and county boundaries. The scale indicates distances in miles, with a range of 0 to 25 miles.
